

CALL FOR ABSTRACT

INNOVATION 2009

And

Workshop on Automation and Robotics

(WAR2009)

FRIDAY September 25th, 2009

GILRUTH CENTER, NASA/JSC

**Abstracts are invited from prospective presenters for the
Annual INNOVATION Symposium and WAR**

**Scope of papers for WAR session is limited to robotics, automation,
fuzzy logic, and related subjects, while INNOVATION covers a vast
area of engineering and technology in all subsystems**

**Deadline for abstract submission by email : September 10, 2009
(Only abstracts are submitted. No paper manuscripts are published)**

Send abstracts by email to

General Chair:

Dr Paul Frenger ; pfrenger@alumni.rice.edu

or

Program Chairs:

Dr Liwen Shih; shih@uhcl.edu

Dr Zafar Taqvi; Z.Taqvi@IEEE.org

**INNOVATION is organized by Clear Lake Council of Technical
Societies for JAIPCC Board, while WAR is organized by AIAA
Houston Section Technical Committee on Automation and Robotics
with support from IEEE Computational Intelligence Society**
